Acceptable Use Policy

1. DISPOSITION OF THE SERVICES

You must not:

- access, tamper with, or use any non-public areas of the Services, BSS’s computer systems, or the technical delivery systems of 5050’s providers.
- peddle, sell, or use the vulnerability of any system or network or breach or obtain any security or authentication measurement.
- access or read the Services by any means other than 5050’s publicly supported interfaces (for example, “scraping”).
- attempt to obtain unauthorized access to network or computer resources through the use of a password or account information of another person who is using the Services.
- interfere with or attempt the access of any user, host or network, including, without limitation, by sending a virus, engaging in locked-down, flooding, spamming, sending bouncing messages, or engaging in any unlawful activity on the Services.
- interfere with or attempt the access of any user, host or network, including, without limitation, by sending a virus, engaging in locked-down, flooding, spamming, sending bouncing messages, or engaging in any unlawful activity on the Services.
- interfere with or attempt the access of any user, host or network, including, without limitation, by sending a virus, engaging in locked-down, flooding, spamming, sending bouncing messages, or engaging in any unlawful activity on the Services.

2. MISUSE OF THE SERVICES

You may not utilize the Services to carry on, originate or support:

- any defraudal or fraudulent activities;
- any representation of another person or entity or the misrepresentation of an affiliation with a person or entity, in a manner that it is intended to mislead, confuse, or deceive others;
- activities that cause defacement, hacking or breaching, computer fraud, harassment, or stalking;
- the publishing or posting of any personal information or privately transmitted information, such as credit card numbers, address or Social Security National identity numbers, without the express authorization and permission;
- the sending unsolicited communications, promotions advertisements, or spam;
- the publishing or that links to malicious content intended to damage or destroy another user’s browser or computer, or
- promotion or advertisement of products or services other than your own without appropriate permissions.

3. CONTENT STANDARDS WITHIN THE SERVICES

You understand that all information, data, text, software, music, sound, photography, graphics, video, messages, legale, or other materials (“Content”), whether publicly provided or privately transmitted, is the sole responsibility of the person from whom each such content is originating. 5050 is not responsible for any opinion, statement or other material provided by any user of the Services. You may not post any content in the Services that:

- contains any inappropriate, insulting or offensive material, in a manner that it is intended to mislead, confuse, or deceive others;
- is deceptive, fraudulent, illegal, obscene, pornographic, or advertising phony pornography, upon becoming aware of such, we reserve the right to request and report the removal of questionable content;
- contains viruses, worms, or similar harmful material;
- contains any other content that you do not have the right to make available under any contract or limitation due to such content (informational, proprietary and confidential information disclosed or displayed as part of employment relationship or under nondisclosure agreements).

4. VIOLATIONS OF THIS ACCEPTABLE USE POLICY

In addition to any other remedies that may be available to us, 5050 reserves the right to immediately suspend, or terminate your account or access to the Services upon notice and without liability for 5050 should you violate any of the Acceptable Use Policy. If you are a user of the Services under your employer or organization’s account, 5050 reserves the right to notify your employer or organization of any violations of this Acceptable Use Policy.

5. USE OF APIs

The following events may lead to throttling or restricted access to product APIs:

- malicious or harmful network traffic detected
- request count exceeding 10,000 in each billing month
- request patterns that result in an overutilization of system resources, such as infinite loops

6. INDEMNIFICATION

You agree to indemnify and hold 5050 and its parent company, subsidiaries, affiliates, officers, representatives, employees, partners and licensors harmless from any claims, demands, or suits or other actions or damages.

7. MODIFICATIONS

5050 may modify this Acceptable Use Policy from time to time in its sole and reasonable discretion. We will post any such changes on our website. If we object to any such changes, your sole recourse shall be to cease using the Services. Use of the Services following notice of any such changes shall constitute your acknowledgment and acceptance of such changes.

For questions about this Acceptable Use Policy or any 5050 terms or other policies, please email us at info@5050inc.com.
